

CLIP IT

A creative, educational, and sustainable game,
90% upcycled !

CLIPS

UPCYCLING

clips made from recycled caps

A SIMPLE IDEA...

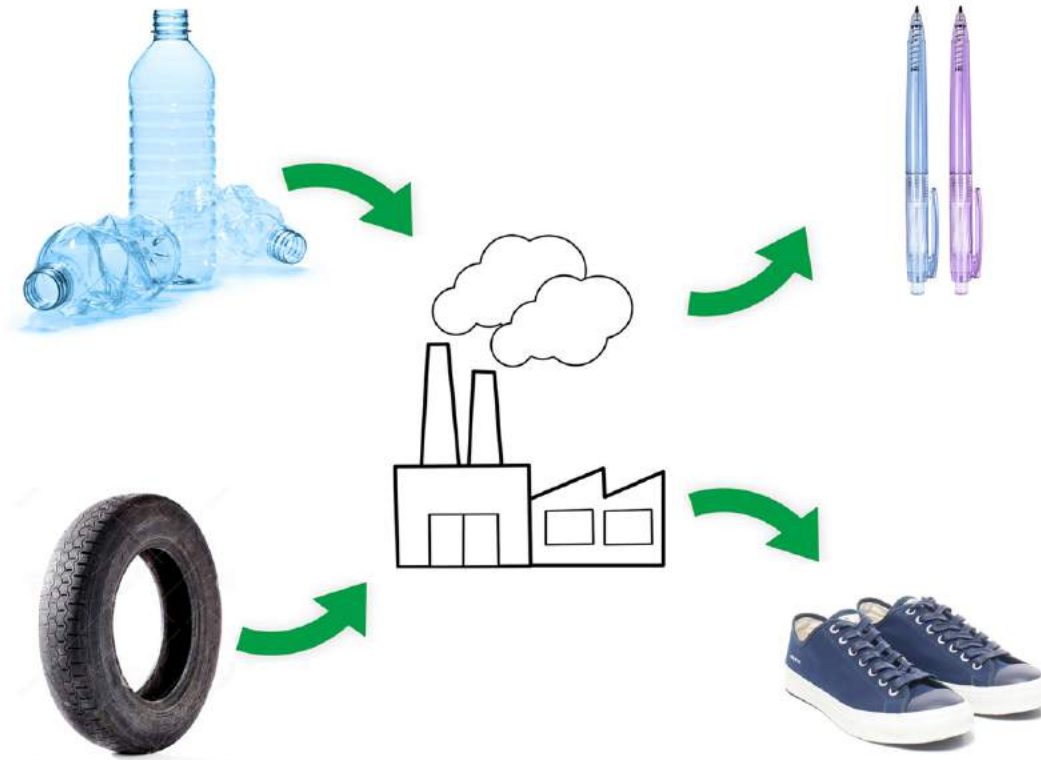

Clip it is a creative assembly game, 90% made out of plastic bottle caps you already own.

We provide the "key" to assemble caps of all sizes and create cool shapes.

The recycled clips are specially designed to fasten your milk, juice and water bottle caps.

Clip it stimulates the children's creativity and motor skills while raising their awareness of environmental issues and reducing waste.

WHAT IS RECYCLING?

**TRANSFORM OBJECTS
INTO NEW ONES**

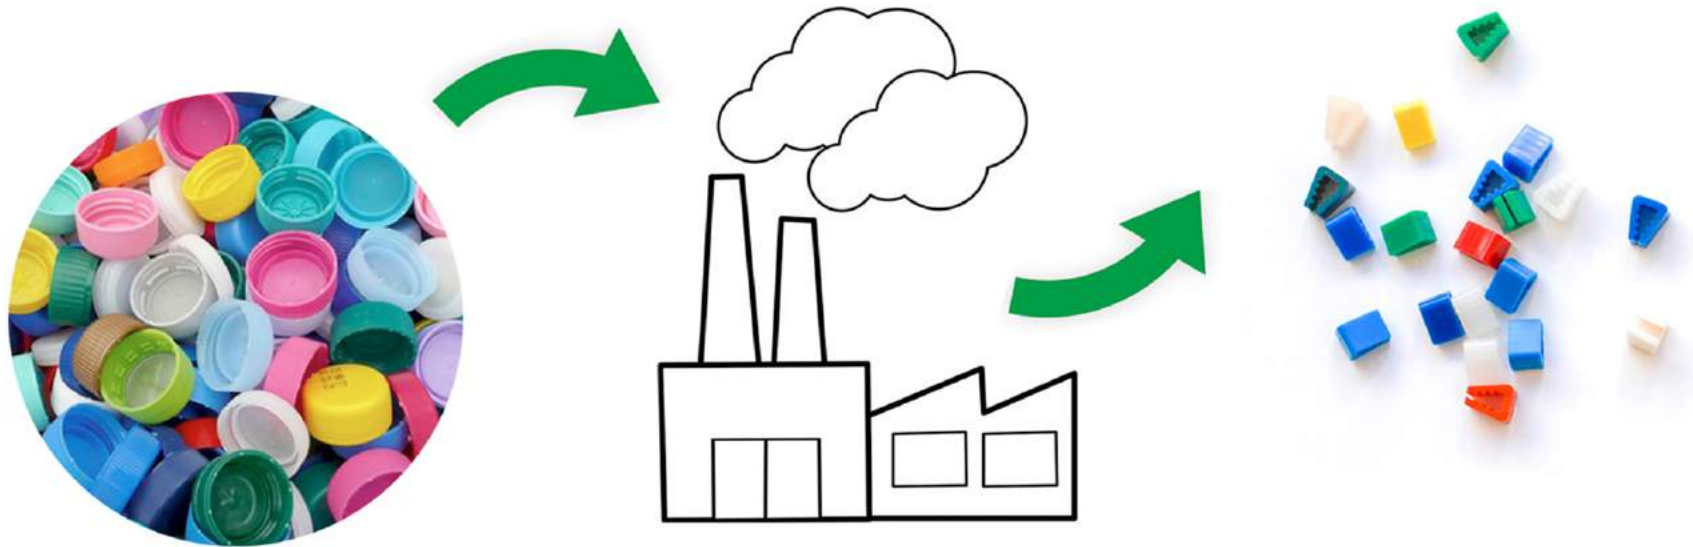

WHAT IS UPCYCLING?

**CHANGE THE OBJECT'S USE
TO GIVE IT A SECOND LIFE**

AT CLIP IT, WE DO BOTH :)

OUR CLIPS ARE RECYCLED

90% OF THE GAME IS UPCYCLED

A CIRCULAR & SOCIAL ECONOMIC MODEL

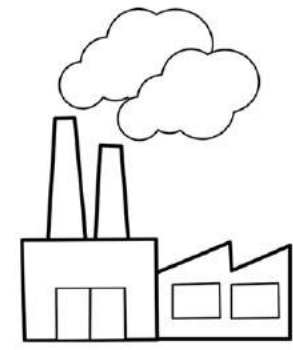

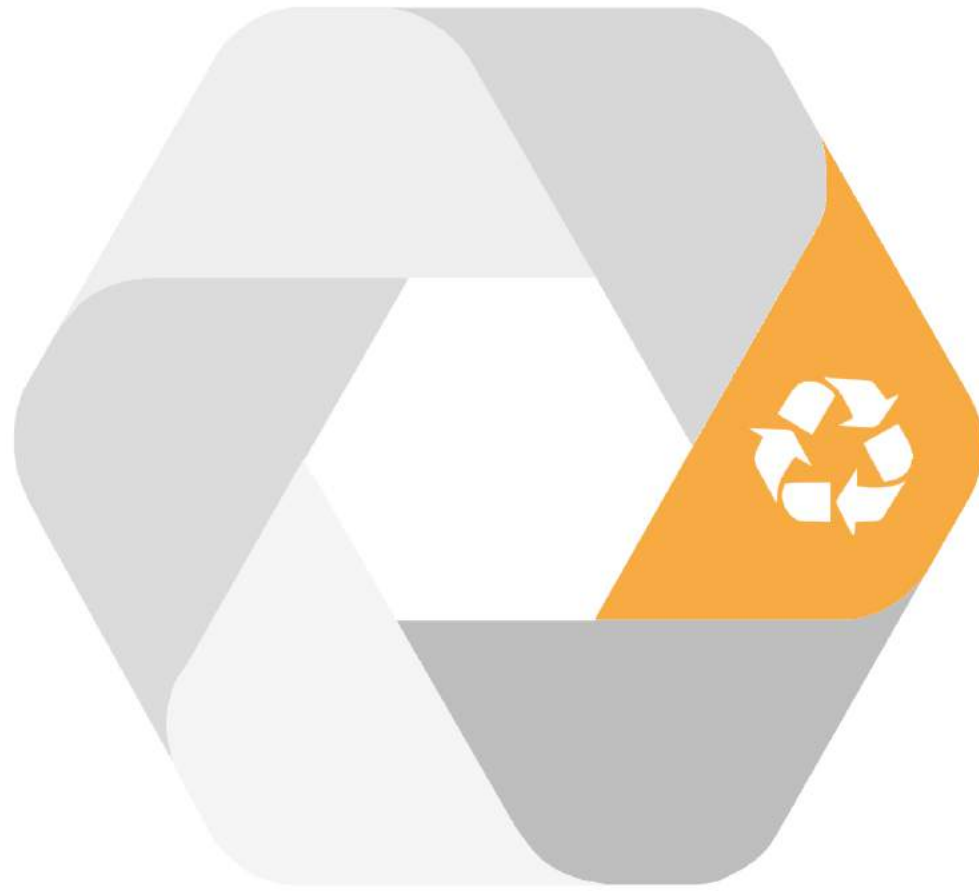

ngo « love caps »

Clip it buys caps from a local charity

The caps are sorted by colours

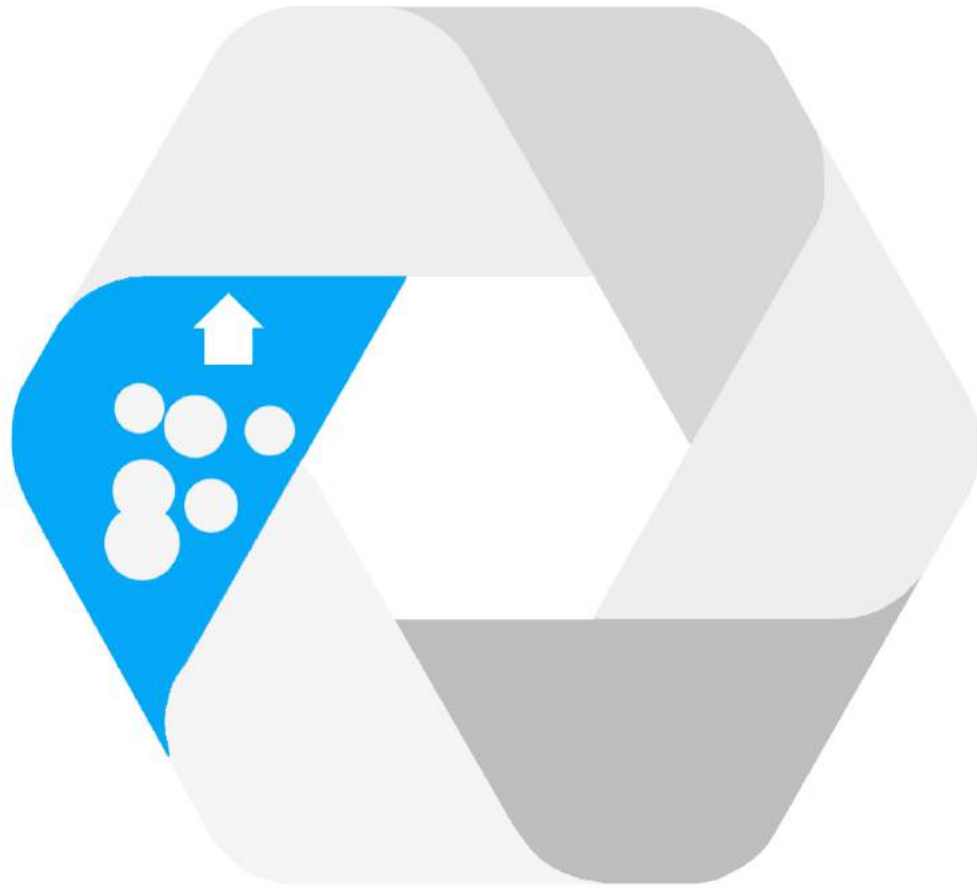

The caps are transformed into clips

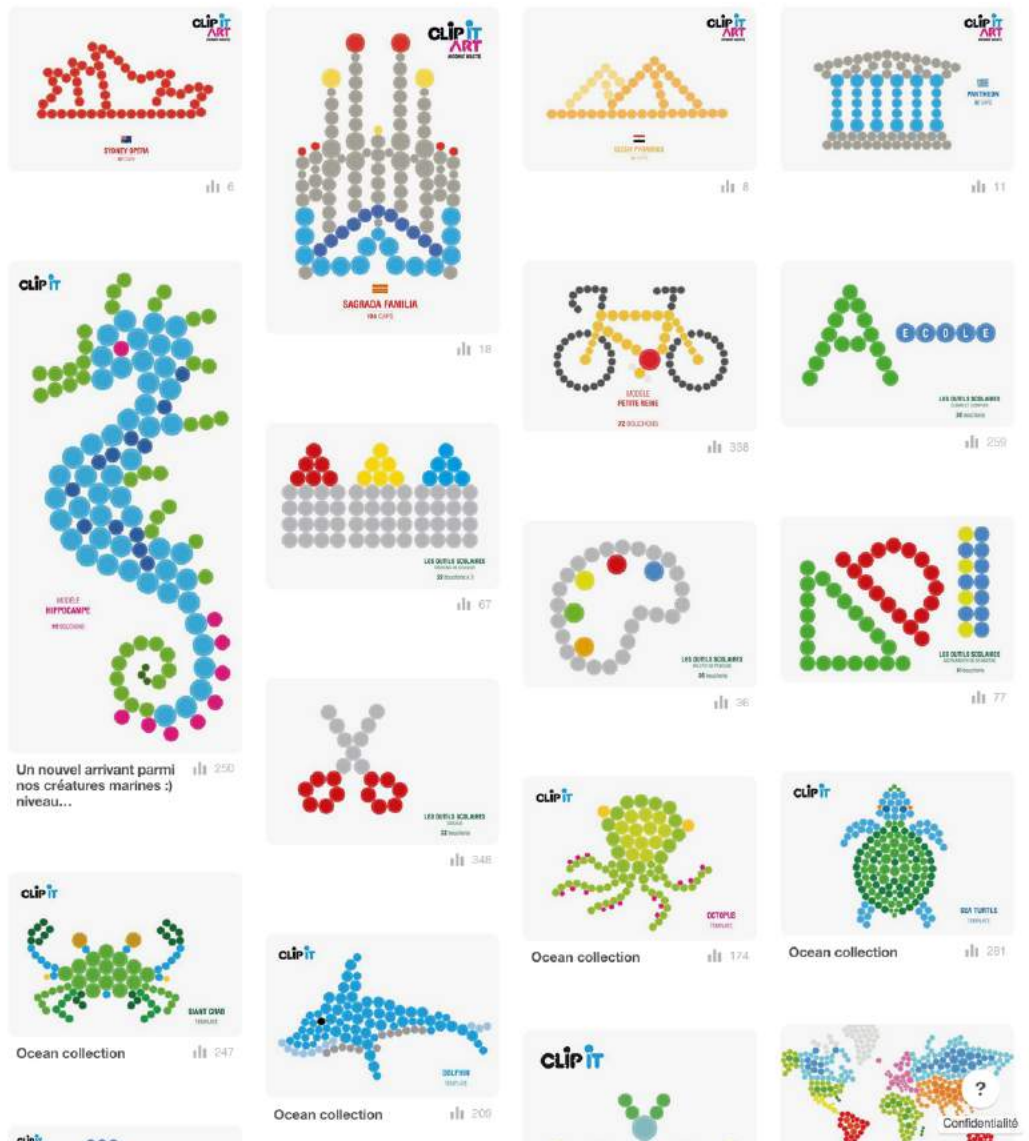

The clips are packed and shipped by disabled workers

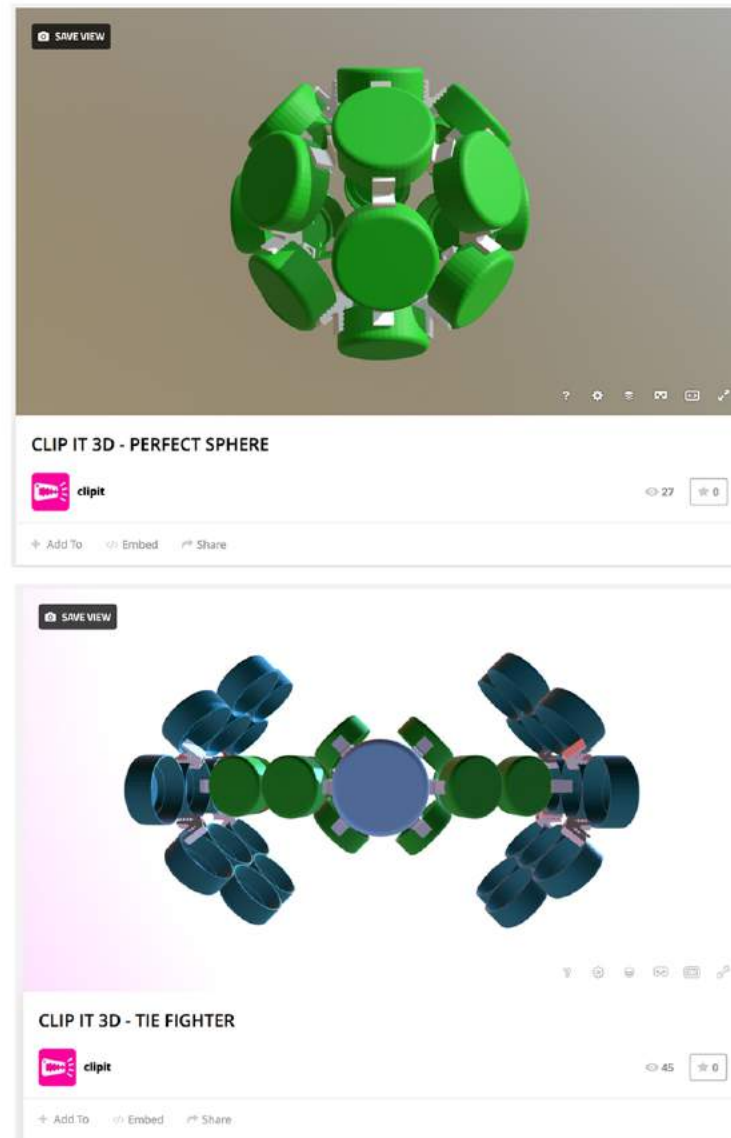

You collect the caps at home
and play with the clips
YOU BECOME AN UPCYCLER !

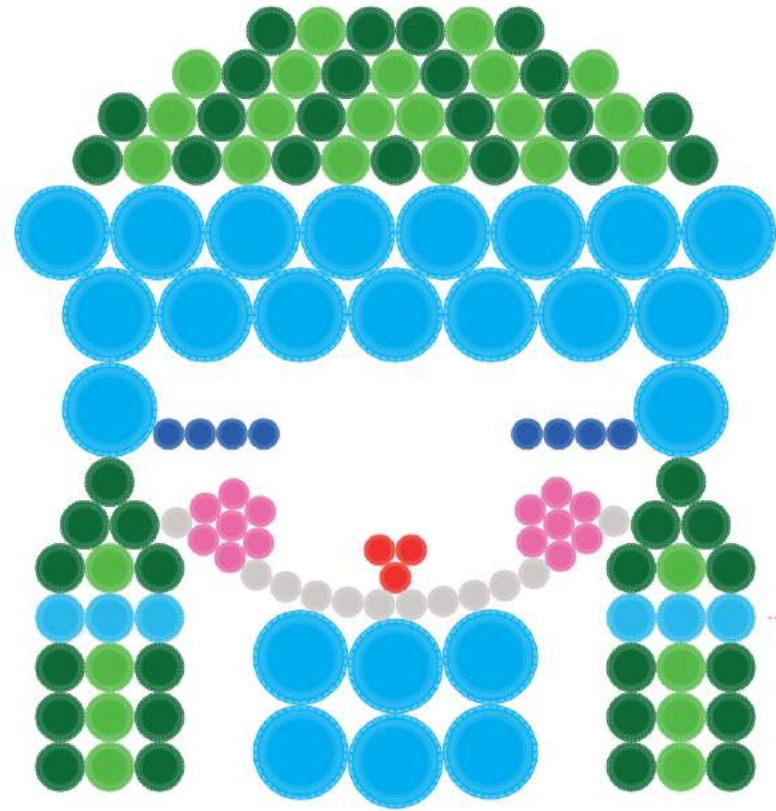

When you are tired of Clip it,
give your caps back to the same Charity
to close the loop.
